Hello Le,

Great to hear back from you.

We're happy about the discount you gave us on scooters. As because there was no front-glass for Vespa on the invoice I understand you don't have them. Am I right? Also, we didn't mean "rear racks" for Vespa, but a small trunk you can put something inside. If you don't have it, it's no problem. The color is "british racing green" - do you want us to email you the color code in RGB or Pantone specifications? I found it's Pantone 5535, but we can try to be more specific.

We would like to get cargo shipping insurance so please add that. Did you check is Krakow the possible place of destination, or is it only Warsaw?

Please send me the new pro-forma invoice including the changes above. The company data for the invoice is:
RETRO MOTORS, ul. Szlachtowskiego 17/25, 30-132 Krakow, Poland. If everything is correct we will ask you for another pro-forma invoice for 50% of the amount to make a transfer that you can start work.
