Hi Gleb

Please find attached adjusted invoice as requested with insurance, without the rear rack. We can try and get the front windshield glass for the MINI because they are designed for the 150cc's, I will try and get it customized to fit your Mini as a free accessory. I used to own an MGB convertible in British Green and know the color well, we will email you photos of the paint sample color for you to approve before we start painting the Vespa. When you are ready to make the order please forward payment via WESTERN UNION to details:
